# The Kiwi Bird

by [MiaQc](#)

## Summary

Hotaru finds a male kiwi bird in the garden.

- A translation of [L'oiseau kiwi](#) by [MiaQc](#)

I find a male kiwi bird in the garden of Haruka, Michiru and Setsuna's house's back. I ask them if I can keep it. Michiru tells me no because it's a bird in danger of extinction. He has to go back to his country, New Zealand. I am very sad, but I understand. The bird must live in its natural habitat. I say goodbye to him and Haruka takes care to bring him back to New Zealand with her helicopter. As for Setsuna, she consoles me by finding me pictures of kiwi birds. I find them too fluffy and cute.
